New York Methodist Hospital
506 6th Street, Brooklyn, NY 11215
Executive Dining Room

Metro SportsMed® provides the greater metropolitan area with orthopaedic and rehabilitative services. We have centers located throughout Brooklyn. Our organization contracts with acute-care hospitals, outpatient centers, and sub-acute facilities for the provision of rehabilitation services.

Our organization has established a Scholarship Fund. Applicants must be college-bound seniors attending a Brooklyn high school. The students will be judged on their outstanding academic and athletic accomplishments. We will provide two scholarships of \$1,000, \$500, and \$250 each to the winners.

We would like to offer this opportunity to your students. Enclosed please find applications and flyers to distribute amongst your school. **Applications are due by May 31, 2015.**

To learn more about Metro SportsMed® or to access additional copies of the scholarship application, please visit the *About Us* tab on our website at:
